THE LION and THE MOUSE

One day a lion was asleep and a little mouse ran over the lion's back. The lion **woke up**, put his **paw** on the mouse and opened his big mouth. He wanted to eat the mouth.

"oh, king," cried the mouse" I am so sorry! I will never climb on you again! Maybe one day I will also help you."

The lion **laughed** at the **silly mouse**." Ha, ha, ha! You will help me- ha, ha!" but he let him go.

One week later, **hunters caught** the lion. They **tied** the lion to a tree and went to find a **wagon** to **carry** him away.

The little mouse heard the lion **roar**. When he saw the big lion tied to the tree, he said,"I am going to help you!" slowly he **ate** away the ropes. "I told you I can help you" said the little mouse and he was right.
